
On 15 March 2020 the Government of Lebanon, and in an effort to contain coronavirus, declared a “state of medical emergency”, including partial lockdown.

The Lebanese Center for Energy Conservation (LCEC) is committed to comply with the Government’s decisions and to contribute to its efforts to contain the pandemic, therefore we hereby inform you of the following:

- LCEC offices in the Ministry of Energy and Water are open every Monday and Thursday from 10:00 am till 1:00 pm, subject to full compliance with the highest safety measures;

- Except as detailed above, LCEC offices in the Ministry will be closed;

- The LCEC team is still highly available and highly productive in these times of crisis, already planning for a post-COVID-19 renewable energy and energy efficiency reality. The team is fully available online and can be reachable by email and other online tools; and

- The LCEC is receiving calls at the mobile number 81 799 199 from Monday till Friday between 8:00 am and 4:00 pm.

Stay safe and keep washing your hands!

حفظاً على سلامتك لا تنسوا غسل اليدين!
