Dear colleagues,
The 6th edition of Beirut Energy Forum welcomed a record-breaking amount of delegates, visitors, speakers, sponsors, and exhibitors. We would like to take this opportunity to thank all involved in the forum, particularly our supporters: the Ministry of Energy & Water, the League of Arab States, the European Union, the United Nations Development Program, ESCWA, Banque du Liban, WEC Lebanon, the Lebanon Oil Installations, the Association of Lebanese Industrialists, UNIDO, MEDENEC, RCREEE, SISSAF, MEDDESIRE and WEC Istanbul.

Organized by MCE Group and in strategic partnership with the Lebanese Center for Energy Conservation, Beirut Energy Forum 2015 increased the exhibition size by a staggering 31% compared to last year’s edition.

The International Beirut Energy Forum is one of the most reputable and professional energy events in the Middle East specifically dedicated to sustainable energy issues and projects. The International Beirut Energy Forum is by far the biggest forum in Lebanon attracting key energy people from Lebanon, the Arab World, and the international community. The event is the main yearly platform to discuss all topics related to renewable energy, energy efficiency, and green buildings.

Beirut Energy Forum 2015 welcomed a record-breaking 883 delegates, which represented an increase from last year. The 6th edition of the congress presented parallel conferences and 4 side events for regional and international organizations.

The 2015 edition of Beirut Energy Forum will continue its legacy as the leading event in the region related to renewable energy and energy efficiency offering a national and regional platform for energy experts and professionals from the public and the private sector to meet, discuss, and develop the sustainability sector in Lebanon. Beirut Energy Forum 2015 is a milestone in drawing the future of renewable energy and energy efficiency in Lebanon.

This post-show report summarizes the 2015 event to demonstrate how the show has grown and outlines the strategies used to deliver and expand the event for the future. If you are already involved with Beirut Energy Forum as an exhibitor, visitor or delegate, we would like to thank you for your continued support in making it such a great success.

MARKETING AND PROMOTION

By Mail, sms and e-mail campaigns targeted leading professionals, engineers, related companies & energy experts.

1- EMAIL CAMPAIGN
Marketing emails, specifically targeting different divisions of the energy industry individually were sent. These were used to support the mailing campaigns encouraging engineers and professionals to pre-register for the congress or to inform them about the latest updates with the latest registered exhibitors, new speakers etc...

2- DIRECT MAILING CAMPAIGN
A carefully researched direct mailing campaign was carried out to the names and addresses of concerned professionals in Lebanon. This comprehensive campaign included mailing of invitation cards, marketing materials at different stages to all segments of our huge database.

3- LIAISON WITH SUPPORTERS, PARTNERS
Main supporters of the event were involved in the promotion of the Beirut Energy Forum by displaying and distributing print materials.

MEDIA CAMPAIGN

1- PRESS OFFICE
A press office was open throughout the exhibition and conference and provided a point of contact for exhibitors and local and specialist regional media.

2- TV COVERAGE FROM
Reporters from renowned TVs covered the opening ceremony, the panel discussion and conducted interviews with exhibitors and key delegates.

3- THE PRESS CONFERENCES
A several press conferences for various parties broadcasted live on TV.

4- INTERNET SUPPORT
Continuous news concerning the event were listed on the Beirut Energy Forum website www.beirutenergyforum.com

5- PRESS RELEASES
Visit www.beirutenergyforum.com

6- SOCIAL MEDIA
Through the active use of social media, Beirut Energy Forum has built a strong following and presence on various platforms including: Facebook; BeirutEnergyForum
Twitter: #IBEFor2015
The dinner included a recognition award to the Banque du Liban for the NEEREA initiative in energy & environmental loans.
